Policy

- Parents and guardians are welcome to watch any class or private lesson involving their child, unannounced.
- The academy provides a viewing area with a clear view of the training floor.
- Parents may ask to watch a full class before enrolling.
- Instructors never ask a parent to leave so they can be alone with a child.

Viewing Etiquette

- Stay in the viewing area unless invited onto the mat.
- Keep noise low and coaching to the instructors.
- Follow the photo and video rules in the Parent and Guardian Code of Conduct.

When Viewing May Be Limited

Viewing may be limited only for space or safety reasons, such as during a crowded testing event. Even then, the training area stays visible, for example through windows or video.
